

Privacy Policy General Terms and Conditions

This Privacy Policy informs on methods of personal data protection with reference to users of the platform assigned to the website of <http://spokey.pl>, hereinafter referred to as "Platform".

The administrator of Platform User personal data is Spokey Sp. z o.o. situated in Katowice (40-203), al. Roździeńskiego 188C, entered to the Register of Entrepreneurships of the National Court Register run by the Regional Court of Katowice - Wschód in Katowice, REGON statistical number 471323630, NIP tax identification number 731-11-59686, with share capital of 3,000,000.00 PLN.

The content of Platform pages belongs to the data Administrator and is legally protected.

In order to use the Platform a user should have a computer or a device with installed software allowing to browse websites and to have access to the Internet. The Platform can be accessed using the most popular Internet web browsers.

The Administrator declares Platform websites do not contain content breaching rights of third parties or binding law, particularly information causing or posing a threat to keeping privacy or safety of any person, promoting illegal actions or behaviour that is insulting, threatening, obscene, defamatory or calumnious, arouses racism or persecutions of ethnicity, culture or religion-related reasons, promotes or supports criminal activities, infringes rights of third parties, including intellectual property rights, or infringes legally protected interests in any other form.

Data collecting purpose

The data Administrator processes personal data of Users within purpose and scope necessary for them to use the Platform. The Administrator can process personal data of Users for marketing purposes, if being granted consent previously expressed with this purpose in mind.

III. Access right

A User is entitled to supplement, update and correct personal data and to have them permanently or temporarily stopped from processing, or to have them removed, if they are incomplete, out of date, untrue or have been collected against the law, or have already been unnecessary to realize the purpose they were collected for.

The data Administrator reserves the right to refuse to remove User data, if keeping them is necessary for processing claims or if required by binding law.

Access to data for third parties

Direct access to personal data collected by the Administrator is granted only to authorized employees or associates of the data Administrator and authorized persons operating the Platform that have been granted respective permits.

Personal data of users can be shared with entities authorized to receive them on the basis of binding law, particularly with respective law enforcement authorities.

Security and personal data protection

The data Administrator declares they process personal data of Users in accordance with the Personal Data Protection Act of August 29, 1997 and they use technical and organizational measures assuring the level of security of protected data, that is adequate to threats and categories of data being protected, particularly that personal data of users are protected against sharing them to unauthorized persons, loss or damage.

VII. Disclaimer of liability

This Privacy Policy does not include any information on services or goods of entities other than the data Administrator, that have been placed at Platform websites commercially, as guest appearance, on the basis of a reciprocity rule or with purpose not aiming to achieve a trade-related effect.

The data Administrator is not responsible for actions or negligence of users resulting in processing of personal data provided by them in the way specified in this Privacy Policy by the data Administrator.

The data Administrator reserves the right to change, withdraw or modify functions or properties of Platform websites, as well as to cease operations, transfer rights to the platform and perform any legal actions permitted by binding law. Any actions performed by the data Administrator must not infringe user's rights.

VIII. Contact with the data Administrator

Any further questions related to the Privacy Policy should be sent to the data Administrator address specified in the Section I or to biuro@spokey.pl

Amendments to Privacy Policy

The data Administrator reserves the right to amend the Privacy Policy, if required by law or changes implemented in the Platform. The data Administrator shall inform users on respective changes and date of their entry into force, particularly by placing a message on the Platform website.

The date specified below is the date of validity of the Privacy Policy latest version.

Date: October 10, 2017
